A terminal window displaying the execution of an SQL query. The background of the terminal is a vibrant, abstract pattern of overlapping geometric shapes in shades of purple, blue, and green. The text is white, providing a high contrast against the dark background. The query executed is 'select ciudad, count(*) as numero_clientes from clientes where edad > 10 group by ciudad;'. The output shows three rows of data: CUCUTA with 31 clients, CUCUTILLA with 1 client, and PAMPLONA with 2 clients. The prompt 'sqlite>' is visible at the top and bottom of the output.
